

1. Go to Google Maps by clicking on the following link:
<http://maps.google.com/maps?hl=en&tab=nl>
2. Use “copy and paste” to put the following address into the Google Maps address box:
4333 Hansen Ave, Fremont, CA 94536
3. Click on **Search Maps**.
4. Move the map by “dragging” or by clicking on one of the four arrow heads.
5. Zoom in by clicking on the “+” icon.
6. Zoom out by clicking on “–” icon.
7. Return to the search result by clicking on the “hand” icon.
8. Click on the “standing person” icon and “drag” it to the street of “Hansen Ave” and let the green dot sit next to the red drop **A** then release the mouse button.
9. Try to move the picture by using all the tools available, including the use of turn, looking at the address, the relative locations of viewer and church shown in the small map at the right lower corner of this page (the tip of the green drop indicates the direction the viewer is looking at), until you see the picture of:
“Immanuel Presbyterian Church” 以馬內利長老教會.
10. Click on the red drop in the box located at the right lower corner of this page. You will see the original map again.
11. Click on **Direction**.

12. Type your home address into the address box next to the green circle labeled "A".
13. Choose **By car** which is default. Then click on **Get Directions**.
14. Now you have the directions from your home to our school.
15. To get the reversed directions, just click on the bending double arrow head icon located at right side of the two addresses.
16. You can minimize the Get Directions column to maximize the map by clicking on the "<<" icon. To bring the column back, click on the ">>" icon located at the upper left corner of the map.
17. Click on the radio button **Satellite** to see satellite picture.
18. 秀才不出門,能看全世界地圖. 請把您家鄉的名稱放進 Google Maps address box. 例如: 士林,台北市, 台灣
19. Click on **Search Maps**.
20. Click on the radio button **Map** to see street map.
21. With the new address, you still can play with all the Google Maps' features.
22. Use the following link to play a Taiwanese song while you are surfing the map: 風飛砂. Consider this as a multi-task practice. If you are in classroom, please skip this step though.

<http://blog.xuite.net/lynnman/music/17148511>
23. To close the street picture view, click on the "x" at the right upper corner, and then it will go back to the street map.
